

IFINTEC Finance Technologies Conference and Exhibition will be held on **14-16 April 2015** in **Istanbul, Turkey** at Istanbul Congress Center which is the biggest convention center in Turkey. IFINTEC is a dedicated conference focusing on technology solutions for finance industry. IFINTEC Conference serves a perfect platform to introduce and demonstrate platform, system, hardware, software, consultancy, training, security and service solutions. ***Finance Technology, Banking Technology, Core Banking, Retail Banking, Payment Systems, Mobile Payment Systems, Mobile Banking, Asset Management, Fraud Prevention, Governance Risk Compliance, Insurance Technology, Banking IT and Big Data*** are key topics of the conference.

With **1000+ attendees, attendance from 15+ countries, 24 Sponsors/Exhibitors, 65+ speakers, 60+ speaking sessions**, IFINTEC 2014 was organized very successfully. **IFINTEC is one of the biggest events in EMEA region in its category.**

IFINTEC Conference serves a platform at where speakers will share their experience, knowledge, visions and future forecasts with the visitors. The speeches will be either Turkish or English and simultaneous translation to Turkish or English will be available. There will be an exhibition area at where sponsor/exhibitor companies will introduce their solutions to the visitors at their booths.

IFINTEC Conference General Manager Mr. Ergun Selcuk said that "IFINTEC is a perfect platform to exhibit the solutions that are developed for the finance industry. An intensive participation is expected to the IFINTEC 2015 Conference and Exhibition from many countries. Sponsorship registration for IFINTEC 2015 is open now and we have an early bird pricing which is valid until November 28, 2014. IFINTEC is an unmissable event!"
